

**Dear Teachers**

**Kindly note that as you all are now at home due to the LOCKDOWN situation. Therefore, please start your individual weekly teaching planning of your own subject and keep it ready. So that, once the school commences you all can immediately start working. Do some creative work also for which you have your own passion.**

**'PLANNING WE KNOW IF DONE PRIOR CAN ALWAYS MAKE A TASK ORGANISED AND SYSTEMATIC'.**

**STAY HEALTHY AND SAFE WITH YOUR FAMILY, FRIENDS, NEIGHBORHOOD, COMMUNITY AND NATION AS A WHOLE.**
