Message from the Managing Director

Turning the page is not just about moving forward; it is about embracing change, setting new goals, and writing a story that reflects our dreams. As we turn over a new page, stepping into a new year of infinite possibilities, let us make this a year of purpose, progress and prosperity

Value of the Month: Turning The Page

A new year dawns, its pages yet unwritten. As per the Annual Education Report of India, 98.1% of children in the age group of 6 to 14 year olds in India are enrolled in school and that is definitely great news. At the same time, hyper networking, hyper communication and hyper information have transformed us into tech zombies with attention span down to 8 seconds! This year, surround yourself with things that bring you happiness and fill you with inspiration. Find harmony in sport's rhythm, tranquility in yoga's stillness. Let health be your guiding star, dreams your compass and hard work the steady hand that guides your journey.

EVERY FAREWELL IS A NEW BEGINNING

Farewells often bring tears as they remind us of both inevitable partings and the fleeting nature of time. With emotions running high, TIGPS Hooghly recently organized a farewell party to bid adieu to the outgoing batch of STD XII 2023-24.

The day was a celebration dedicated to the years spent together with friends and teachers, filled with reminiscing joyful moments and cherishing shared memories.

Christmas Day Celebrations

On December 21, 2024, Techno India Group Public School, Hooghly celebrated Christmas with a special assembly. The event communicated the spirit of sharing, caring, and generosity, as students danced to tunes like "Jingle Bells" and "We Wish You a Merry Christmas," spreading joy and festive cheer.

The celebration reached its peak with Santa Claus's entry, distributing chocolates and adding to the students' joy and excitement. The program was a joyous celebration of togetherness, filled with laughter, full hearts, and a touch of holiday magic, encapsulating the essence of Christmas.

Eco- Initiatives & CSR

Adwitiyam

The Children's Day Programme for underprivileged students involved them in various activities, including sports, to make them feel special and valued. This initiative aimed to bring joy and a sense of belonging to these children, highlighting the importance of inclusivity and support.

By organizing sports events, the program provided an opportunity for underprivileged students to participate in fun and engaging activities. It fostered a sense of community and self-worth, ensuring that every child felt recognized and appreciated.

ADULT LITERACY PROGRAMME

The Adult Literacy Programme at TIGPS Hooghly aims to uplift underprivileged individuals by equipping them with essential skills and education, enhancing their opportunities and overall quality of life. This initiative ensures that education is accessible to everyone, promoting a more inclusive and equitable society.
